Ford E250 van white MD Z17270 15-94288

**CASE UPDATE:**

Howard County police have charged a 16-year-old male from Columbia in an incident that resulted in brief school lockdowns at Wilde Lake M.S. and H.S. on Sept. 17. Police received a report of a suspected gunshot around 2:45 p.m. in the area of Daystar Court. A search revealed no one in the area and no threat to student safety. The lockdowns were lifted just after 3 p.m.

In a search of the area, police located a shell casing, indicating that someone had fired a handgun. Through investigation, the 16-year-old was identified as a suspect. Detectives have determined he is not a student at any of the local schools. Yesterday, Sept. 22, police located the suspect at the Wilde Lake Village Center. Police confirmed he was carrying a handgun and he was taken into custody. He was charged as a juvenile with firearms offenses and reckless endangerment.
